Mr. Tim Lee
Region 22 NPSPAC Chairman
1500 W. County Road B2
Roseville, MN 55113

Dear Mr. Lee:

The Region 45 NPSPAC Planning Committee has reviewed Region 22's revised plan at a meeting held on May 21, 2009. The Committee has considered the changes recommended by Region 22 to change the Pierce County Wisconsin allocations of channel 2 (851.0375 MHz) to channel 3 (851.0500 MHz), and channel 6 (851.0875 MHz) to channel 95 (852.250 MHz). The Region 45 Committee also considered a recommended change to the St. Croix County Wisconsin allocation of channel 60 (851.7875 MHz) to channel 61 (852.650). It is understood by Region 45 that these recommended changes are to alleviate conflicts between the Minnesota and Wisconsin border allocations. After review of these recommended changes, and the Region 22 revised plan, the Region 45 NPSPAC Planning Committee is pleased to issue its official concurrence to Region 22's revised plan. It is further understood by Region 45 that the recommended changes to the Pierce and St. Croix County (Wisconsin) allocations will be incorporated into Region 45's revised NPSPAC plan.
